Portfolio

Digital Marketing

Managing digital marketing for 10 companies, spanning diverse sectors like supermarkets, DTH reload, electronics, and mobile gadgets, showcases our expertise in promoting businesses across various industries.

At BulkSupermarket.com, our **\$150 Google Ad** campaign has proven to be a game-changer. With a modest investment, we've achieved extraordinary results, including **1600 valuable clicks** and an impressive **100,000 impressions**. Our data-driven approach ensures that every dollar spent maximizes your online presence and potential customer reach. Whether you're stocking up on household essentials or exploring bulk buying options, BulkSupermarket.com has you covered.

At OnNation, our **\$30 Facebook ad** campaign has sparked a remarkable impact for our DTH Recharge business. With a mere investment, we've achieved incredible results, reaching a **paid audience of 35,000** and garnering a total of **50,000 impressions**. This campaign has not only amplified our brand's visibility but also connected us with a broad and engaged audience interested in DTH services. Our commitment to delivering convenience and value to our customers is mirrored in this successful campaign.

Graphics Designing

SM Solution excels in graphic design, delivering stunning visuals that captivate audiences. Their creative team crafts eye-catching logos, banners, and branding materials that leave a lasting impression.

With a commitment to aesthetics and innovation, SM Solution elevates your brand's visual identity to new heights.

1	Logo Designing & Branding
2	Typography & Infographics Designing
